**NEW YORK, NY, March 19, 2020** — As the spread of COVID-19 has continued, it has become necessary to postpone the April Security Leadership Exchange and combine it with the upcoming Security Leadership Exchange in the fall. The new date will be October 18-20, 2020 and will be held at the Sheraton Grand at Wild Horse Pass in Phoenix, Az.

“Combining the two events this year allows us to retain and expand the world-class agenda of attendees, speakers and solution providers to assemble a more national representation of CISOs and senior security executives,” said Wendy Loew, Senior Vice President of Events at CyberRisk Alliance.
